

November 13, 2020

Good Afternoon,

In an effort to keep our entire school community safe, we are asking you to follow the procedures listed below:

- All students are reminded to wear a face covering.
- All students should wash hands or use hand sanitizer frequently.
- If **you or a member of your household** has been tested for COVID-19, all DASD students residing in your home are not permitted to return to school until a negative test result is received or the appropriate quarantine period is completed as per PA DOH guidelines. Please also contact your child's school nurse who will provide appropriate guidance.
- Review the DASD screening tool each morning. **\*\*Please see the next page for DASD Student Screening Tool.** Keep your child home if they have one or more symptoms from Column A or two or more symptoms from Column B. Also, students should stay home if they are taking fever reducing medicines.
- If a student develops symptoms while at school, they should notify their teacher immediately.
- Please follow the travel advisory per PA Department of Health <https://www.health.pa.gov/topics/disease/coronavirus/Pages/Travelers.aspx>
- Contact a school nurse if you have any questions or concerns.  
Kim Long - GV (724) 694-2400 ext. 1197  
Wendy Angus - MS/HS (724) 694-1401 ext. 2305

Sincerely,

DASD Nursing Staff

# DASD Student Screening Tool

## Complete Daily Prior to School/Work

This is a tool to help you decide if you should come to school. You do not have to return this form.

Your Temperature:

Are you taking any medication to treat or reduce a fever such as Ibuprofen (i.e. Advil, Motrin) or Acetaminophen (Tylenol)?

Are you experiencing any of the following? Circle all that apply for your own documentation.

<b>Group A 1 or more symptoms</b>	<b>Group B 2 or more symptoms</b>
Fever (measured at 100.4 or higher/ subjective)	Chills
Cough	Rigors (shivering)
Shortness of breath	Myalgia (muscle aches)
Difficulty breathing	Headache
New olfactory disorder (loss of smell)	Sore throat
New taste disorder (loss of taste)	Nausea or vomiting
	Diarrhea
	Fatigue
	Congestion or runny nose

## You should stay home if :

- Have one or more symptoms in Group A **OR**
- Have two or more symptoms in Group B **OR**
- Are taking fever reducing medication.
