Dear Parents,

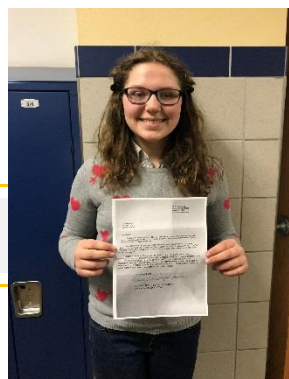

It has been a fantastic year in Gifted Support. I am so proud of the hard work that students have put into their projects.

Summer is a great time to recharge, but it is important that students avoid the “summer slide.” I would like to encourage all students to read this summer, review math facts, and engage in any other educational learning experience. These are great ways to bridge summer learning.

Thank you for your continual support. I had a great year working with your children. I will be checking my school e-mail this summer, so please feel free to contact me if you have any questions or concerns.

I hope that you and your family have a wonderful summer!

Take Care,
Mrs. Welty ☺

Congratulations!

The Mathematics Council of Western PA
First Year Algebra Contest Finalist:

Autumn Zerfoss

STEM Design Challenge

Middle School
2nd Place

Elizabeth Kott
Sierra Blystone
Mara Lewis
Troy Clark

Elementary
2nd Place

Ella Sylvis
